9TH GRADE REGISTRATION

This is your Course Registration for next year at Bradford High School. It is important that you and your parents/guardians work together on these course selections. In order to complete the registration process successfully, please follow these steps:

Step 1 – Complete the personal information on the registration form, including your current courses and grades.

Step 2 – Print (or circle) the required course numbers, including honors or regular levels, on the registration form after you have read the course descriptions.

Step 3 – List the course numbers, the credit(s), and the titles of the elective subjects you have selected. Remember to select between 6 and 7 credits.

Step 4 – Ask your current teachers to sign their agreement with your selection levels of the core subjects.

Step 5 – Return this completed registration form to your middle school counselor. Remember that both you and your parents/guardian should sign this registration form.

Also remember that you need to complete the 8th grade program by the end of summer school to be designated as a freshman. If you are currently not passing, please work with your middle school teachers and counselor to explore your options.

This mark on Course sheet indicates classes that meet Online Learning Experience

Optional Diploma Requirements

Diploma with Service Distinction		100 hours of community service
Diploma with Honors Distinction		4 Advanced Placement credits

PLAN AHEAD: The Senior Class Valedictorian and Salutatorian at Bradford High Schools is determined by the seventh semester cumulative Grade Point Average based on the weighted grading system. Students must also have completed the four half-credit regular level required courses (e.g. physical education and health) and any other regular level required course work (consumer education, U.S. Government/Politics) by the seventh semester, i.e. the senior year January report card. Consult your high school counselor for details.

I plan to choose the following Diploma Option (you may choose more than one):

_____ The Standard Diploma (23.5 credits)

_____ The Diploma with Honors Distinction (23.5 credits of which 4 credits are Advanced Placement Courses).

_____ The Diploma with Service Distinction (100 hours of community service)
