Attention 8th Grade Parents/Guardians:

The end of 8th grade is just around the corner! Many activities have been planned to celebrate your child's accomplishments and time spent here in middle school. The **Eighth Grade Recognition & Award Ceremony** will take place on Wednesday, June 13th, 2018 at 10:30am in the school's auditorium and students will be dismissed with their parents following the ceremony. The south doors will be open at 10:00 a.m. for first-come first-serve seating.

This is certainly a time to celebrate your child's accomplishments over the past three years. However, please remember this is still a school day and both parents and students are required to follow the dress code set forth by the district. Also, any student who has below a 1.0 grade point average or did not participate in the Academic College Preparation meetings will not be permitted to participate in the ceremony.

Thank you for your continued support and cooperation as we finish up another terrific year! We look forward to seeing you June 13th, 2018!
