CORE CLASSES:

SOCIAL STUDIES:
Students will be using the five themes of geography while studying Southeast Asia and Africa.

SCIENCE:
Students are using guided writing and reading to learn about plants. We are also learning how to summarize and write a compare and contrast essay.

GOT SUPPLIES?
Please check with your child. They still need paper and pencils till end of year.

CELEBRATION TIME

FIELD TRIP
We will be doing a team building trip to the ropes coarse. We will be going on May 17th, 18th, or 19th. The field trip costs $5.00. Please make sure you send back permission/waiver forms & money so your child can attend. It is going to be a fun time. They will need sack lunch.
